## Supporting Details:

During the week of Dec. 1, 2003, Rashawn was walking down the hallway (3<sup>rd</sup> flr.) towards Mrs. Theobolt's class. Rashawn's Mighty was trying to stop her with her body, face to face. I told her not to do that. Then, he & her exchanged words, and he said "I'm going to tell my wife if you bother me again. He looked at me & said Mrs. Spencer is my wife." I told him, "I'm the teacher & you're the student, I'm the adult & you're the child. Let's not forget this." The next day he mentioned it to another student while he walked pass me.

## Outcome:

I shared the information about these incidents w/ other teachers & the guidance counselor, Mr. Mazzoni.

Instructions: Please fill out this form completely and return to the guidance office. This form should be used for all behavior situations and classroom disruptions. This form will be very important for tracking poor unacceptable behavior.

Supporting Details: During the week of 12/1/03, Rashawn Belle braked pass me from behind while he & the other students in the hall were changing classes. Another time during the week of 12/1/03 Rashawn was standing behind me while I was monitoring the hallway. I didn't know he was behind me until I turned around because I felt someone was standing too closely behind me. When I turned around to see who was standing behind me, that's when he started to walk away. He didn't say anything to me, & I didn't say anything to him, but I looked at him in a startled way.

On December 12, 2003, I was standing by my classroom door 305 while class 774 was coming in from physical ed. When Rashawn walked pass me, he leaned over to walk closer making it difficult for me to move out the way. I told him to "cut it out." He looked at me. Then I said, "I don't want your sweat near me." He said, "Oh, okay."

Instructions: Please fill out this form completely and return to the guidance office. This form should be used for all behavior situations and classroom disruptions. This form will be very important for tracking poor unacceptable behavior.

Reported to Ms. Rivman & Ms. Mandell.

Supporting Details: On December 19, 2003, as Rashawn was walking out of the class, he deliberately fell on me. As 774 was leaving, I was standing by the door dismissing the class. He fell right on me. I said, "What are you doing? Get off of me." He claimed Lawrence Donby pushed him. Then he said to Lawrence, "See Lawrence, you made me fall into Ms. Spencer." Lawrence looked puzzled & said, "I don't know what you're talking about." Rashawn said, "Sorry Ms. Spencer." I reported to Ms. Rirman + Mrs. Mandell.

On Monday, Dec. 22, 2003, approximately 1:30 p.m., I called Rashawn out into the hallway. (Mrs. Rirman was with the class). I told him that he was bumping & falling into me too many times, and if it happens again, I'm going to report it, he'll be suspended and arrested. He replied, "What if it's an accident?" I said, "It's been happening too many times & if it happens again, then this is what's going to happen." He said, "Okay."
